Healing Scripture

Proverbs 4:20-23

My son, attend to My words incline thine ear unto My sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh. Keep thy heart with all diligence; for out of it are the issues of life.

Acts 4:25, 26

Who by the mouth of thy servant David hast said, Why did the heathen rage, and the people imagine vain things? The kings of the earth stood up, and the rulers were gathered together against the Lord, and against His Christ.

Two thousand years ago the leaders of this world allowed the Son of God to be crucified. They had the Truth standing before them and they didn't know it. They trusted in their own knowledge not realizing that what they were doing was going against the one true God who created heaven and earth. Today we have the same scenario taking place. Everywhere in the world people (the heathen) rage and imagine vain things which go directly against God and His Son, Jesus Christ. Laws are put in effect that destroy the life of unborn babies, but will fine and put in jail someone who destroys a sea turtle egg or eagle egg. Public speakers can mention God but never mention the name of Jesus because it might offend someone. The world continues on a downward spiral in their vain imaginings. People trust in man's knowledge and ignore the wisdom of God found in the Bible. We as Christians find our self on an island in a sea of humanity that is drowning. Thankfully, we have a God who is willing none should perish but all should come to repentance. Our calling is more important than ever to speak the truth despite the fact that it seems so few people want to hear it. There are still many who will come to God if we are led by the Holy Spirit to speak words of life at the right time. As Christians we must learn from the Old Testament so we won't repeat the same mistakes. The Israelites had to return any land or servants they had acquired every fifty years. God did not want His people to hold on to things that would become a snare to them. We must be careful that our possessions help us and don't hold us back. We should look at this life as temporary so we focus more on the importance of fulfilling God's plan in this world. We don't want to be like the world and caught up in vain imaginations and find we miss the Truth and His purpose for our life. Judy Onofri
